**Amendment 261**
Ivan David  
on behalf of the ID Group

**Report**  
Ulrike Müller  
Common agricultural policy: financing, management and monitoring  

**Proposal for a regulation**  
**Article 87 – paragraph 1**

<table>
<thead>
<tr>
<th><strong>Text proposed by the Commission</strong></th>
<th><strong>Amendment</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>Member States may retain 20 % of the amounts resulting from the application of the reductions and exclusions referred to in Article 86.</td>
<td>Member States may retain 75 % of the amounts resulting from the application of the reductions and exclusions referred to in Article 86. The money which the Member State obtained by this way will be used to development of agriculture.</td>
</tr>
</tbody>
</table>

**Or. en**

**Justification**

The Member State pays majority of the costs of the control activity. The possibility of keeping only 20% of the revenue from fines is disproportionately low. Two versions are proposed so that a Member State can keep 75 or 50% of the revenue from fines. It is proposed that the Member state must use the money obtained from fines to support of development of agriculture.
Amendment 262  
Ivan David  
on behalf of the ID Group

Report  
Ulrike Müller  
Common agricultural policy: financing, management and monitoring  

Proposal for a regulation  
Article 87 – paragraph 1

Text proposed by the Commission  
Member States may retain 20 % of the amounts resulting from the application of the reductions and exclusions referred to in Article 86.

Amendment  
Member States may retain 50 % of the amounts resulting from the application of the reductions and exclusions referred to in Article 86. The money which the Member State obtained by this way will be used to development of agriculture.
