Report A8-0200/2019
Peter Jahr
Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD (COM(2018)0392 – C8-0248/2018 – 2018/0216(COD))

Proposal for a regulation
Article 43 – paragraph 1 – point h

Text proposed by the Commission

(h) actions to improve pest resilience;

Amendment

(h) actions to improve pest resilience to pests, to improve prevention, defense and containment of the spread and to mitigate pest damage, especially for invasive alien species, including by promoting IPM and the adoption of natural defence techniques in full respect of the environment

Or. en

Justification

Therefore, in their CAP strategic plans, Member States must have the possibility to choose interventions to support farmers who suffer economic losses due to the lack of production and the costs of containing the spread of these pathogens.
