Article 65 – paragraph 4

Text proposed by the Commission

4. Member States shall only grant payments to farmers and other beneficiaries who undertake, on a voluntary basis, management commitments which are considered to be beneficial to achieving the specific objectives set out in Article 6(1).

Amendment

4. Member States shall only grant payments to active farmers defined in accordance with point (d) of Article 4(1) who undertake, on a voluntary basis, management commitments, such as the appropriate protection of wetland and organic soil, which are considered to be beneficial to achieving the relevant specific objectives set out in Article 6(1).

Priority may be given to schemes which are specifically targeted towards addressing local environmental conditions and needs and contribute, where appropriate, to the achievement of the objectives set out in the legislation listed in Annex XI.

Or. en

Justification

For agri-environment-climate commitments, it is very important Member States shall only grant payments to active farmers defined in accordance with points (d) of Article 4 (1)
