Report  
Peter Jahr  
Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD (COM(2018)0392 – C8-0248/2018 – 2018/0216(COD))

Justification  
Article 70 regulates intervention in the form of an insurance contribution, or works with mutual funds. Amendment creates space for the type of instrument that is guaranteed by state authorities at the national level, notified to the European Commission and takes into account the already functioning system for compensating uninsurable risks - which cannot be meaningfully insured commercially and other instruments do not provide for them.
