Proposal for a regulation
Article 9 – paragraph 1 a (new)

Text proposed by the Commission

Member States, in collaboration, where applicable, with their regions, when working out the CAP Strategic Plans, shall take account of the specific principles laid down in Article 39 TFEU, namely the particular nature of agricultural activity, which results from the social structure of agriculture and from structural and natural disparities between the various agricultural regions; the need to effect the appropriate adjustments by degrees; the fact that in the Member States agriculture constitutes a sector closely linked with the economy as a whole.

Text proposed by the Commission

Amendment

Article 46 a

Sectorial plans of recognised interbranch organisations in the fruit and vegetable sector and Union financial assistance

1. Without prejudice to Articles 44, 45 and 46, the objectives referred to in Article 42 and the interventions in the fruit and vegetables sector set out by the Member States in their CAP Strategic Plans may be implemented through approved sectorial plans of interbranch organisations recognised under Regulation (EU) No 1308/2013, under the conditions laid down in paragraphs 2 and 3.

2. Interbranch organisations recognised under Regulation (EU) No 1308/2013 applying for Union financial assistance shall submit a sectorial plan to the Member State for their approval. The sectorial plan shall:

(a) have a minimum duration of three years and a maximum duration of seven years;

(b) pursue two or more interventions linked to the objectives referred to in points (c), (d), (e), (h) and (i) of Article 42;

(c) describe, for each objective selected, the interventions chosen for each objective selected among those set out by
the Member States in their CAP Strategic Plans.

Sectorial plans may be implemented only by interbranch organisations recognised under Regulation (EU) No 1308/2013.

3. The amount of Union financial assistance shall be limited to 0.125 % of the total annual production of fruit and vegetables in that Member State with an annual maximum of EUR 6 million per Member State.
