Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD (COM(2018)0392 – C8-0248/2018 – 2018/0216(COD))

Proposal for a regulation
Article 11 – title

Text proposed by the Commission

11 Principle and scope
1. Member States shall include in their CAP Strategic Plans a system of conditionality, under which an administrative penalty shall be imposed on beneficiaries receiving direct payments under Chapter II of this Title or the annual premia under Articles 65, 66 and 67 who do not comply with the statutory management requirements under Union law and the standards for good agricultural and environmental condition of land established in the CAP Strategic Plan, as listed in Annex III, relating to the following specific areas:

(a) the climate and the environment, including water quality, soil conservation and biodiversity;

(b) public health, animal health and plant health;

(c) animal welfare.

2. The rules on the administrative penalties to be included in the CAP Strategic Plan shall respect the requirements set out in Chapter IV of Title IV of Regulation (EU) [HzR].

Amendment

11 Principle and scope
1. Member States shall include in their CAP Strategic Plans a system of conditionality, which corresponds to statutory management requirements under Union law and the standards for good agricultural and environmental condition of land, as listed in Annex III, established in the CAP Strategic Plan, relating to the following specific areas:

(a) the climate and the environment;

(b) public health, animal health and plant health;

(c) animal welfare.

2. The rules on an effective system of administrative penalties, as laid down in Chapter IV of Title IV of Regulation (EU) …/[HzR], shall apply to all beneficiaries receiving direct payments under Chapter II of this Title or annual premiums under Articles 65, 66 and 67 when they do not comply with the conditionality rules set out in paragraph 1 of this Article.
2 a. The Commission is empowered to adopt delegated acts in accordance with Article 138 supplementing this Regulation regarding temporary derogations on conditionality rules during disease epidemics, adverse climate events, catastrophic events or natural disasters.

3. The legal acts referred to in Annex III concerning the statutory management requirements shall apply in the version that is applicable and, in the case of Directives, as implemented by the Member States.

4. For the purpose of this Section, 'statutory management requirement' means each individual statutory management requirement under Union law referred to in Annex III within a given legal act, differing in substance from any other requirements in the same act.

Proposal for a regulation
Article 25 – title

25 **Round sum payment** for small farmers

Member States may grant payments to small farmers as defined by Member States by way of a round sum, replacing direct payments under this Section and Section 3 of this Chapter. Member States shall design the corresponding intervention in the CAP Strategic Plan as optional for the farmers.

25 **Simplified scheme** for small farmers

1. Member States may introduce a simplified scheme for small farmers requesting support in respect of an amount of up to EUR 1250. That scheme may consist of a lump sum, replacing direct payments under this Section and Section 3 of this Chapter, or a per-hectare payment, which may be different for different territories, defined in accordance with Article 18(2). Member States shall design the corresponding intervention in the CAP Strategic Plan as optional for the farmers.

1. (1) Beneficiaries of the Simplified scheme for small farmers may be deemed to comply with rule 8 and 9(a) on standards for good agricultural and environmental condition of land (GAEC) as laid down in Annex III to this Regulation.

1. (2) Farmers wishing to participate in the simplified scheme shall submit an application no later than a date to be set by the Member State, without prejudice to the Member States being able to automatically include the farmers fulfilling the conditions and offering them the possibility of withdrawing from it by a specific deadline.
(3) For farmers participating in this scheme, Member States may apply simplified conditionality checks, as laid down in Article 84 of Regulation (EU) [HzR].

(4) Member States may establish rules and services for reducing administrative costs, supporting small farmers to cooperate.

(5) Member States shall ensure that no advantage provided for in this Article shall be granted to farmers if it is established that they artificially created, after 1 June 2018, the conditions for receiving payments to small farmers.

Article 26 – title

Text proposed by the Commission

26 Complementary redistributive income support for sustainability

1. Member States shall provide for a complementary redistributive income support for sustainability ('redistributive income support') under the conditions set out in this Article and as further specified in their CAP Strategic Plans.

2. Member States shall ensure redistribution of support from bigger to smaller or medium-sized farms by providing for a redistributive income support in the form of an annual decoupled payment per eligible hectare to farmers who are entitled to a payment under the basic income support referred to in Article 17.

3. Member States shall establish an amount per hectare or different amounts for different ranges of hectares, as well as the maximum number of hectares per farmer for which the redistributive income support shall be paid.

Amendment

26 Complementary redistributive income support for sustainability

1. Member States shall provide for a complementary redistributive income support for sustainability ('redistributive income support') under the conditions set out in this Article and as further specified in their CAP Strategic Plans.

2. Member States shall ensure a fair redistribution of support from bigger to smaller or medium-sized farms by providing for are distributive income support in the form of an annual decoupled payment to active farmers who are entitled to a payment under the basic income support referred to in Article 17. This support may be granted either per eligible hectare or per active farmer.

3. If Member states chose to grant the support per eligible hectare, they shall establish a payment equivalent to an amount per hectare or different amounts for different ranges of hectares. They may differentiate those amounts in accordance with the territories defined pursuant to Article 18(2), as well as the maximum number of hectares per farmer for which the redistributive income support shall be paid.

3 a. The amount of there distributive payment per hectare shall not be higher
than 65 % of the basic income support for sustainability, in accordance with the national or territory average, multiplied by the number of eligible hectares.

3 b. If Member States chose to grant the support per active farmer, they shall establish a payment equivalent to an amount per active farmer. The amount of there distributive payment per active farmer shall not be higher than 65 % of the basic income support for sustainability, in accordance with the national or territory average, multiplied by the Member State average number of eligible hectares per active farmer.

4. The amount per hectare planned for a given claim year shall not exceed the national average amount of direct payments per hectare for that claim year.

4 a. Member States shall ensure that no advantage provided for under this Chapter is granted to farmers in respect of whom it is established that they divided their holding with the sole purpose of benefiting from the redistributive payment. This shall also apply to farmers whose holdings result from that division.

5. The national average amount of direct payments per hectare is defined as the ratio of the national ceiling for direct payments for a given claim year as laid down in Annex IV and the total planned outputs for the basic income support for that claim year, expressed in number of hectares.

27 Complementary income support for young farmers

1. Member States may provide for complementary income support for young farmers under the conditions set out in this Article and as further specified in their CAP Strategic Plans.

2. As part of their obligations to contribute to the specific objective 'attract young farmers and facilitate business development in rural areas' set out in point (g) of Article 6(1) and to dedicate at least 2% of their allocations for direct payments to this objective in accordance with Article 86(4), Member States may provide a complementary income support for young farmers who have newly set up for the first time and who are entitled to a payment under the basic income support as referred to in Article 17.

3. The complementary income support for young farmers shall take the form of an annual decoupled payment per eligible hectare.

Amendment

27 Complementary income support for young farmers

1. Member States may provide for complementary income support for young farmers defined in accordance with the criteria laid down in point (d) of Article 4(1), under the conditions set out in this Article and as further specified in their CAP Strategic Plans.

2. As part of their obligations to attract young farmers in line with the objective set out in point (g) of Article 6(1) and to dedicate at least 2% of their allocations for direct payments to this objective, in accordance with Article 86(4), Member States may provide a complementary income support for young farmers who have newly set up for the first time as head of the holding and who are entitled to a payment under the basic income support as referred to in Article 17.

3. The complementary income support for young farmers shall be granted for a maximum period of 7 years, starting from the submission of the application for the payment for young farmers, and shall take the form either of a lump-sum payment per active farmer or of an annual decoupled payment per eligible hectare. In that case it may be calculated at the national level or on the basis of the
territories defined in accordance with Article 18(2).

3 a. Young farmers who have received in the last year of application of Regulation (EU) No 1307/2013 the support provided for in Article 50 of that Regulation may receive the support provided for in this Article for a maximum total period referred to in the previous paragraph.

3 b. If applicable, the payment should be granted for a number of hectares not exceeding average size of the farms at national level or according to the territories defined in Article 18(2).

3 c. Member States may lay down specific provisions relating to young farmers belonging to groups of farmers, producer organisations or cooperatives with the aim of ensuring they do not lose support pursuant to this Article when joining such entities.
