Article 94
Procedural requirements
1. Member States shall draw up the CAP Strategic Plans based on transparent procedures, in accordance with their institutional and legal framework.

   1a. Member States shall make CAP Strategic Plans and related annexes public, both at the draft stage and after their approval.

2. The body of the Member State responsible for drawing up the CAP Strategic Plan shall ensure that the competent authorities for the environment and climate are fully and inclusively involved in the preparation of the environmental and climate aspects of the plan.

3. Each Member State shall organise a partnership with the competent regional and local authorities as well as all other interested partners. The partnership shall include at least the following partners:

   (a) relevant public authorities;
   (b) economic, environmental and social partners, in particular representatives of the agricultural sector,
(c) relevant bodies representing civil society and where relevant bodies responsible for promoting social inclusion, fundamental rights, gender equality and non-discrimination.

Member States shall involve those partners in the preparation of the CAP Strategic Plans.

4. Member States and the Commission shall cooperate to ensure effective coordination in the implementation of CAP Strategic Plans, taking account of the principles of proportionality and shared management.

4a. The Commission is empowered to adopt a delegated act in accordance with Article 138 to set out a code of conduct to support Member States in the organisation of the partnership referred to in paragraph 3 of this Article. The code of conduct shall set out the framework within which Member States, in accordance with their national law and regional competences, are to pursue the implementation of the partnership principle.
