Proposal for a regulation
Article 106 – paragraph 2

Text proposed by the Commission

2. The Commission shall assess the proposed CAP Strategic Plans on the basis of the completeness of the plans, the consistency and coherence with the general principles of Union law, with this Regulation and the provisions adopted pursuant to it and with the Horizontal Regulation, their effective contribution to the specific objectives set out in Article 6(1), the impact on the proper functioning of the internal market and distortion of competition, the level of administrative burden on beneficiaries and administration. The assessment shall address, in particular, the adequacy of the strategy of the CAP Strategic Plan, the corresponding specific objectives, targets, interventions and the allocation of budgetary resources to meet the specific CAP Strategic Plan objectives through the proposed set of interventions on the basis of the SWOT analysis and the ex-ante evaluation.

Amendment

2. The Commission shall assess the proposed CAP Strategic Plans on the basis of clear and objective criteria, including completeness of the plans, the consistency and coherence with the general principles of Union law, with this Regulation and the provisions adopted pursuant to it and with the Horizontal Regulation, their potential achievement of and effective contribution to the specific objectives set out in Article 6(1), their contribution to the targets at European Union level set out in Article 6a, coherence and compliance with legislation set out in Annex XI, the impact on the proper functioning of the internal market and distortion of competition, the level of administrative burden on beneficiaries and administration. The assessment shall address, in particular, the adequacy of the strategy of the CAP Strategic Plan, including the quality of the information used, the corresponding specific objectives, targets, interventions and the allocation of budgetary resources to meet the European Green Deal targets for agriculture and the specific CAP Strategic Plan objectives through the proposed set of interventions on the basis of the SWOT analysis and the ex-ante evaluation.
