Report  
Peter Jahr  
Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD  

Proposal for a regulation  
Article 106 – paragraph 5 – subparagraph 3

Text proposed by the Commission

In duly justified cases, the Member State may ask the Commission to approve a CAP Strategic Plan which does not contain all elements. In that case the Member State concerned shall indicate the parts of the CAP Strategic Plan that are missing and provide indicative targets and financial plans as referred to in Article 100 for the whole CAP Strategic Plan in order to show the overall consistency and coherence of the plan. The missing elements of the CAP Strategic Plan shall be submitted to the Commission as an amendment of the plan in accordance with Article 107.

Proposal for a regulation
Article 127 – paragraph 1 a (new)

Text proposed by the Commission

1a. As soon as all the national CAP strategic plans are approved, the European Commission will commission an independent assessment of their aggregated expected impact. If this analysis reveals an insufficient joint effort in relation to the ambition of the European Green Deal, the Commission will take appropriate action, which may involve requesting Member States to modify CAP strategic plans or tabling amendments to this regulation.

Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD

Proposal for a regulation
Article 127 – paragraph 2

Text proposed by the Commission

2. The Commission shall carry out an interim evaluation to examine the effectiveness, efficiency, relevance, coherence and Union added value of the EAGF and the EAFRD by the end of the third year following the start of implementation of the CAP Strategic Plans taking into account the indicators set out in Annex I. The Commission may make use of all relevant information already available in accordance with Article [128] of the [New Financial Regulation].

Amendment

2. The Commission shall carry out and make public an interim evaluation to examine the effectiveness, efficiency, relevance, coherence and Union added value of the EAGF and the EAFRD by the end of the third year following the start of implementation of the CAP Strategic Plans taking into account the indicators set out in Annex I. The Commission may make use of all relevant information already available in accordance with Article [128] of the [New Financial Regulation]. If the interim evaluation reveals an insufficient joint effort in relation to the ambition of the European Green Deal and Union environmental and climate legislation, the European Commission will issue recommendations to the Member States to ensure the achievement of the objectives of the European Green Deal and the legislation listed in Annex XI. In their annual performance report, Member States shall set out how the recommendations have been taken into account or the reasoning for not addressing recommendations or a part thereof.
