on behalf of the GUE/NGL Group

Report
Peter Jahr
Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD (COM(2018)0392 – C8-0248/2018 – 2018/0216(COD))

Proposal for a regulation
Recital 41

Text proposed by the Commission

(41) The objectives of the CAP should also be pursued through support for investments, productive as well as non-productive, on farm as well as off-farm. Such investments may concern, inter alia, infrastructures related to the development, modernisation or adaptation to climate change of agriculture and forestry, including access to farm and forest land, land consolidation and improvement, agro-forestry practices and the supply and saving of energy and water. In order to better ensure the consistency of the CAP Strategic Plans with Union objectives, as well as a level playing field between Member States, a negative list of investment topics is included in this Regulation.

Amendment

(41) The objectives of the CAP should also be pursued through support for investments, productive as well as non-productive, on farm as well as off-farm. Such investments may concern, inter alia, the promotion of quality employment, growth, social inclusion and local development in rural areas, infrastructures related to the development, modernisation or adaptation to climate change of agriculture and forestry, including access to farm and forest land, land consolidation and improvement, agro-forestry practices and the supply and saving of energy and water. In order to better ensure the consistency of the CAP Strategic Plans with Union objectives, as well as a level playing field between Member States, a negative list of investment topics is included in this Regulation.

Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD

Proposal for a regulation
Recital 51 a (new)

Text proposed by the Commission
(51 a) The EAGF and the EAFRD should not provide support to farmers whose activities include breeding of bulls for bullfighting. Such funding is a clear violation of the European Convention for the Protection of Animals Kept for Farming Purposes.

Peter Jahr
Common agricultural policy - support for strategic plans to be drawn up by Member States and financed by the EAGF and by the EAFRD

Proposal for a regulation
Recital 59 a (new)

Text proposed by the Commission

(59 a) The Communication from the Commission “A Farm to Fork Strategy for a fair, healthy and environmentally-friendly food system” issued on 20 May 2020 calls on the importance to ensure that the key principles enshrined in the European Pillar of Social Rights are respected in the interest of agricultural workers. The CAP Strategic Plans should take into account the principles enshrined in the European Pillar of Social rights.

Proposal for a regulation
Recital 80 a (new)

Text proposed by the Commission
(80 a) Regrets that the market liberalisation, the falling agricultural prices and increased demands of suppliers and customers regarding these prices, have forced farmers to prioritize competitiveness; notes that, in some Member States, over the last 15 years, consumers have seen food prices rise by 28% while in the meantime the price farmers receive for their produce has risen by only 19% leading many farmers to live below the poverty line.
