Amendment 27
Philippe Lamberts
on behalf of the Verts/ALE Group

Report
Costas Mavrides
European Central Bank - annual report 2018
(2019/2129(INI))

Motion for a resolution
Paragraph 23

23. Is concerned about the fact that 62.1% of ECB corporate bond purchases take place in the sectors that are responsible for 58.5% of euro area greenhouse gas emissions; calls on the ECB to conduct a study investigating the impact of the APP on climate change and, in particular, the corporate sector purchase programme (CSPP) as a preliminary step towards redesigning the CSPP in a socially and environmentally sustainable manner; suggests, in this context, a framework for coordination between the ECB and the European Investment Bank, including InvestEU;

23. Is concerned about the fact that 62.1% of ECB corporate bond purchases take place in the sectors that are responsible for 58.5% of euro area greenhouse gas emissions; calls on the ECB to conduct a study investigating the impact of the APP on climate change and, in particular, the corporate sector purchase programme (CSPP) as a preliminary step towards redesigning the CSPP in a socially and environmentally sustainable manner; suggests, in this context, a framework for coordination between the ECB and the European Investment Bank, including InvestEU; calls on the ECB to support the efforts to align the EIB’s operations with the goals of the Paris Agreement, and to dedicate 50% of EIB lending to climate action and sustainability, including by expanding its purchases of EIB-issued green bonds;

Motion for a resolution
Paragraph 18 a (new)

Motion for a resolution

Amendment

18a. Calls on the ECB to use the opportunity of the upcoming review of the monetary policy framework to revise its understanding of the market neutrality principle, which is neither a legal requirement nor established central banking doctrine;
