Paragraph 23

Motion for a resolution

23. Notes that the EIB in 2018 approved financing for large gas infrastructure projects including gas pipelines to the EU from Turkmenistan and Azerbaijan (Trans Anatolia Natural Gas Pipeline) and from Greece to Italy via Albania and the Adriatic Sea (Trans-Adriatic Pipeline); notes that these investments were included in the 4th list of Projects of Common Interest co-financed from the EU budget; calls on the EIB to explain how these projects will be aligned with the goals of the Paris Agreement by the end of 2020;

Amendment

23. Deplores the fact that the EIB in 2018 approved financing for large gas infrastructure projects including gas pipelines to the EU from Turkmenistan and Azerbaijan (Trans Anatolia Natural Gas Pipeline) and from Greece to Italy via Albania and the Adriatic Sea (Trans-Adriatic Pipeline); notes that these investments were included in the 4th list of Projects of Common Interest co-financed from the EU budget; calls on the EIB to explain how these projects will be aligned with the goals of the Paris Agreement by the end of 2020;

Paragraph 43

Motion for a resolution

43. Calls on the EIB to take into account the local context when investing in third countries; recalls that investing in third countries should also aim to generate long-term, private sector-led sustainable economic growth, support the fight against climate change and reduce poverty through job creation and improved access to productive resources;

Amendment

43. Calls on the EIB to take into account the local context when investing in third countries; recalls that investing in third countries cannot be based on a profit maximisation approach alone but should also aim to generate long-term, private sector-led sustainable economic growth, support the fight against climate change and reduce poverty through job creation and improved access to productive resources;

(2019/2127(INI))

Motion for a resolution

Paragraph 81

Motion for a resolution

81. Awaits the results of the review launched in 2018 of the EIB/EIF anti-fraud policies and supports a more stringent approach towards its zero tolerance fraud, corruption policy and other forms of prohibited conduct; calls on the EIB to increase its collaboration with OLAF and the EPPO in the future and to report all cases of potential fraud to the competent authorities; takes the view that the EPPO should in the future have the mandate to prosecute criminal activity with regard to EIB funds in the EU Member States which are members of the EPPO;

Amendment

81. Awaits the results of the review launched in 2018 of the EIB/EIF anti-fraud policies and supports a more stringent approach towards its zero tolerance fraud, corruption policy and other forms of prohibited conduct; in this regard, reiterates its call on the EIB to temporarily suspend the financing of projects under ongoing investigation for fraud or corruption by either the relevant national judiciary, EPPO or OLAF; calls on the EIB to increase its collaboration with OLAF and the EPPO in the future and to report all cases of potential fraud to the competent authorities; takes the view that the EPPO should in the future have the mandate to prosecute criminal activity with regard to EIB funds in the EU Member States which are members of the EPPO;
