Motion for a resolution  
Paragraph 27  

27. Strongly condemns Russia’s destabilising actions and military involvement in Ukraine; expresses concern about Russia’s ongoing build-up of military facilities and installations in the Crimean Peninsula, including well over 30,000 troops, new surface-to-air and surface-to-surface missile systems, nuclear-capable submarines and strategic bombers; condemns Russia’s illegal actions aimed at seizing control of the Kerch Strait, as they constitute a breach of international maritime law and Russia’s international commitments, in particular the construction of the Kerch Bridge and its rail link without Ukraine’s consent, the laying of underwater cables and the closing up and militarisation of the Azov Sea, which severely hinders Ukraine’s economic activities; calls on the Russian Federation to ensure unhindered and free passage to and from the Azov Sea in line with international law, and access to the occupied Ukrainian territories of Donbas and annexed Crimea for international non-governmental organisations and international humanitarian organisations; calls for the release of all Ukrainian political prisoners and prisoners of war in Russia, Crimea and the parts of Donbas not controlled by the Ukrainian Government; expresses concern, however, about the liberation of Russian citizens suspected of...
involvement in the downing of Malaysian Airlines flight MH17; calls for the release of all Ukrainian political prisoners and prisoners of war in Russia, Crimea and the parts of Donbas not controlled by the Ukrainian Government; expresses concern, however, about the forced inclusion of Russian citizens suspected of involvement in the downing of Malaysian Airlines flight MH17 in the detainee exchange between Ukraine and Russia;
