Deletions are indicated in bold italics in the left-hand column. Replacements are indicated in bold italics in both columns. New text is indicated in bold italics in the right-hand column.

The first and second lines of the header of each amendment identify the relevant part of the draft act under consideration. Amendments by Parliament in the form of a consolidated text

New text is highlighted in bold italics. Deletions are indicated using either the symbol or strikeout. Replacements are indicated by highlighting the new text in bold italics and by deleting or striking out the text that has been replaced.
By way of exception, purely technical changes made by the drafting departments in preparing the final text are not highlighted.

DRAFT EUROPEAN PARLIAMENT LEGISLATIVE RESOLUTION

(Ordinary legislative procedure: second reading)

The European Parliament,

– having regard to the Council position at first reading (09644/1/2020 – C9-0376/2020),
– having regard to the opinion of the European Economic and Social Committee of 29 March 2017¹,
– having regard to its position at first reading² on the Commission proposal to Parliament and the Council (COM(2016)0856),
– having regard to Article 294(7) of the Treaty on the Functioning of the European Union,
– having regard to the provisional agreement approved by the committee responsible under Rule 74(4) of its Rules of Procedure,
– having regard to Rule 67 of its Rules of Procedure,
– having regard to the recommendation for second reading of the Committee on Economic and Monetary Affairs (A9-0242/2020),

1. Approves the Council position at first reading;
2. Notes that the act is adopted in accordance with the Council position;
3. Instructs its President to sign the act with the President of the Council, in accordance with Article 297(1) of the Treaty on the Functioning of the European Union;
4. Instructs its President to forward its position to the Council, the Commission and the national parliaments.

SHORT JUSTIFICATION

The Council position at first reading reflects the agreement reached between Parliament and the Council in interinstitutional negotiations at early second reading stage, after legal-linguistic verification. Since the Committee on Economic and Monetary Affairs (ECON), at its vote from 2 September 2020, already confirmed the outcome of those interinstitutional negotiations, as your ECON co-rapporteurs we propose that ECON recommend that the Plenary confirms the position of the Council at first reading, without amending it.
