Motion for a resolution

Recital E should read:

whereas in accordance with the definition in Article 2(18) of Regulation (EU) 2018/1999 on the Governance of the Energy Union and Climate Action, ‘energy efficiency first’ is a guiding principle of EU energy policy to make energy demand and energy supply more efficient, in particular by means of cost-effective end use energy savings, demand-response initiatives and the more efficient conversion, transmission and distribution of energy;

Footnote 18 should read:
