Parliament’s right of initiative
(2020/2132(INI))

Motion for a resolution
Paragraph 20

Motion for a resolution

20. Considers that the sole obligation of the Commission to inform Parliament of its reasons not to follow up on an INL adopted by a majority of Parliament’s component Members to be far too weak, and therefore welcomes in the strongest terms Commission President von der Leyen’s support for Parliament’s right of initiative and the commitment made to always respond with a legislative act to Parliament requests under Article 225 of the TFEU, with full respect for the principles of proportionality, subsidiarity and better law-making; expects the Commission to uphold this commitment to initiate legislation following the adoption of any such request by Parliament adopted by the majority of its component Members in an INL; considers that this commitment should be

Amendment

20. Considers that the sole obligation of the Commission to inform Parliament of its reasons not to follow up on an INL adopted by a majority of Parliament’s component Members to be far too weak, and therefore welcomes in the strongest terms Commission President von der Leyen’s support for Parliament’s right of initiative and the commitment made to always respond with a legislative act to Parliament requests under Article 225 of the TFEU, with full respect for the principles of proportionality, subsidiarity and better law-making; expects the Commission to uphold this commitment to initiate legislation following the adoption of any such request by Parliament adopted by the majority of its component Members in an INL; considers that this commitment should be
enhanced and Parliament’s power to influence the EU agenda should be strengthened; enhanced and Parliament’s power to influence the EU agenda should be strengthened by amending the 2010 Framework Agreement,
