Motion for a resolution  
Paragraph 3  

Motion for a resolution  

3. Strongly condemns the latest large-scale military aggression by Azerbaijan in September 2022 against multiple targets in the sovereign territory of Armenia, which constituted a serious breach of the November 2020 ceasefire statement and contradicted earlier commitments, including those made in the framework of EU-mediated talks; condemns the military incursions made across the non-delimited border since May 2021; urges the return of all forces to their initial positions; condemns any attempts to undermine the peace process and urges all parties to the conflict to refrain from further use of force; reiterates that the territorial integrity of Armenia and Azerbaijan must be fully respected by all parties; underlines the EU’s readiness to be more actively involved in settling the region’s protracted conflicts; is seriously concerned about the blockade of the Lachin corridor; urges the Azerbaijani authorities to ensure freedom and security of movement along that corridor as prescribed by the trilateral statement of 9 November 2020; calls on Armenia and Azerbaijan to address all concerns relating to the functioning of the Lachin corridor through dialogue and consultations with all the parties involved; welcomes the recent meeting between an Azerbaijani official delegation and Armenian residents of Nagorno-Karabakh to discuss matters including
issues related to the reopening of the Lachin corridor;
