***Combating climate change***

***1. Member States shall ensure that companies referred to in Article 2(1), point (a), and Article 2(2), point (a), shall adopt a plan to ensure that the business model and strategy of the company are compatible with the transition to a sustainable economy and with the limiting of global warming to 1.5 °C in line with the Paris Agreement. This plan shall, in particular, identify, on the basis of information reasonably available to the company, the extent to which climate change is a risk for, or an impact of, the company's operations.***

***2. Member States shall ensure that, in case climate change is or should have been identified as a principal risk for, or a principal impact of, the company's operations, the company includes emission reduction objectives in its plan.***

***3. Member States shall ensure that companies duly take into account the fulfilment of the obligations referred to in paragraphs 1 and 2 when setting variable remuneration, if variable remuneration is linked to the contribution of a director to the company's business strategy and long-term interests and sustainability.***
