Ecodesign Regulation

(COM(2022)0142 – C9-0132/2022 – 2022/0095(COD))

Proposal for a regulation

Article 1 – paragraph 1 – subparagraph 1 – introductory part

Text proposed by the Commission

Amendment

This Regulation establishes a framework to improve the environmental sustainability of products and to ensure free movement in the internal market by setting ecodesign requirements that products shall fulfil to be placed on the market or put into service. Those ecodesign requirements, which shall be further elaborated by the Commission in delegated acts, relate to:

This Regulation establishes a framework to improve the environmental sustainability of products ***manufactured in the Union or imported*** and to ensure free movement in the internal market by setting ecodesign requirements that products shall fulfil to be placed on the market or put into service. Those ecodesign requirements, which shall be further elaborated by the Commission in delegated acts, relate to:
