Amendment 601
Alexander Bernhuber
on behalf of the PPE Group

Report
Sarah Wiener
Sustainable use of plant protection products
(COM(2022)0305 – C9-0207/2022 – 2022/0196(COD))

Proposal for a regulation
Article 29 – paragraph 2

Text proposed by the Commission

2. If application equipment in professional use is sold, the seller and the buyer shall enter the fact of the sale, within 30 days after the sale, in the electronic register of application equipment in professional use referred to in Article 33, using the form set out in Annex V, unless the application equipment in professional use has been exempted from inspection in the relevant Member State(s) in accordance with Article 32(3). A similar obligation to enter a transfer of ownership in the electronic register applies in the case of any other changes of ownership of application equipment in professional use that has not been exempted from inspection in the relevant Member State(s) in accordance with Article 32(3).

Amendment

2. If application equipment in professional use is sold and the buyer shall enter the fact of the sale, within 40 days after the sale, in the electronic register of application equipment in professional use referred to in Article 33, using the form set out in Annex V, unless the application equipment in professional use has been exempted from inspection in the relevant Member State(s) in accordance with Article 32(3). A similar obligation to enter a transfer of ownership in the electronic register applies in the case of any other changes of ownership of application equipment in professional use that has not been exempted from inspection in the relevant Member State(s) in accordance with Article 32(3).
