Motion for a resolution**Paragraph 89 a (new)***Motion for a resolution**Amendment*

89a. Stresses the need for an amendment to Council Regulation (EC) No 1967/2006 concerning management measures for the sustainable exploitation of fishery resources in the Mediterranean Sea, also known as the ‘Mediterranean Regulation’, which lays down rules on the technical characteristics of fishing gears and their uses and which is unfortunately outdated and as such presents an obstacle to fulfilling the main goals of the Common Fisheries Policy, particularly those related to small-scale fisheries;
