Advanced Framework Agreement between the European Union and its Member States, of the one part, and the Republic of Chile, of the other part
(2023/0260R(NLE))

Motion for a resolution

Paragraph 34

Motion for a resolution

34. ***Recognises the efforts made on protecting*** sensitive EU agricultural products such as meat (beef, poultry, pig and sheep meat), certain fruits and vegetables (e.g. garlic, apple juice, grape juice) and olive oil ***by imposing limited and controlled access for highly sensitive products using TRQs, and excluding*** sugar and bananas from any trade liberalisation, with the aim of protecting EU production;

Amendment

34. ***Expresses its deep concern about the significant additional market access granted for*** sensitive EU agricultural products such as meat (beef, poultry, pig and sheep meat), certain fruits and vegetables (e.g. garlic, apple juice, grape juice) and olive oil; ***is worried, in this regard, about the impact such imports may have on domestic EU agricultural production and on EU farmers in general; appreciates the exclusion of*** sugar and bananas from any trade liberalisation, with the aim of protecting EU production;

Advanced Framework Agreement between the European Union and its Member States, of the one part, and the Republic of Chile, of the other part
(2023/0260R(NLE))

Motion for a resolution

Paragraph 34 a (new)

Motion for a resolution

Amendment

34a. Is deeply worried that the Commission is negotiating free trade agreements that provide for high levels of imports of beef, poultry, pig and sheep meat without taking into consideration the cumulative impact of existing and future free trade agreements on EU farmers; calls on the Commission, in this regard, to immediately conduct a revised study on the cumulative impact of free trade agreements on EU farmers and to adopt proposals that foster local EU production and help EU farmers survive increasing global competition;

Advanced Framework Agreement between the European Union and its Member States, of the one part, and the Republic of Chile, of the other part
(2023/0260R(NLE))

Motion for a resolution

Paragraph 35

Motion for a resolution

35. Recognises that the Agreement protects a further 216 EU agricultural geographical indications (GIs) and 18 Chilean GIs, in addition to the existing agreements on wines and spirits, which protect 1745 EU GIs for wines and 257 EU GIs for spirits and aromatised wines; highlights that the extension of geographical indications agreed by the EU and Chile is an important step forward in the protection of EU geographical indications at the global level; calls on the Commission to ensure effective enforcement of GI protection rules for EU products in Chile and to consider expanding the list of protected GI products;

Amendment

35. Recognises that the Agreement protects a further 216 EU agricultural geographical indications (GIs) and 18 Chilean GIs, in addition to the existing agreements on wines and spirits, which protect 1745 EU GIs for wines and 257 EU GIs for spirits and aromatised wines; highlights that the extension of geographical indications agreed by the EU and Chile is an important step forward in the protection of EU geographical indications at the global level; calls on the Commission to ensure effective enforcement of GI protection rules for EU products in Chile, ***with particular attention to those under a grandfather clause***, and to consider expanding the list of protected GI products;

(2023/0260R(NLE))

Motion for a resolution

Paragraph 36 a (new)

Motion for a resolution

Amendment

36a. Regrets that the agreement does not contain mirror clauses; highlights the need to ensure that imported products respect the same sanitary, phytosanitary, animal welfare and environmental standards imposed in the EU throughout the whole production process; underlines the importance of ensuring a very thorough control on goods entering the EU market in order to ensure that no phytosanitary products banned in the EU are used;
