Recital 19 a (new)

Text proposed by the Commission

Amendment

(19 a) The maximum width limit in point 1.2(a) of Annex I is a value that now applies to all road vehicles and not just heavy duty vehicles, regardless of its suitability for differing vehicle categories such as light duty vehicles. For this reason, the Commission should perform a review of the suitability of this limit across different vehicle categories, at the latest by June 2025.
