***26 a. Is concerned by the recent reports<sup>1a</sup> that under the Neighbourhood, Development and International Cooperation Instrument (NDICI) the Union prioritises migration programmes and actions that the OECD considers a particular risk to the integrity of Official Development Assistance (ODA), such as migration and border management as well as return, over labour migration or regular pathways; calls on the Commission to conduct appropriate ex ante assessments to determine the possible human rights implications and risks of actions, including impact assessments for actions and measures that are expected to have a significant impact on the human rights of migrants and refugees, in line with the NDICI; calls on the Commission to provide Parliament with an equal level and detail of information regarding NDICI migration spending and related assessment reports as provided to the Council; calls on the Court to produce a special report on the ODA eligibility of NDICI-funded migration projects;***

**Paragraph 50 a (new)**

*Motion for a resolution*

*Amendment*

***50 a. Calls on the Commission to put on temporary hold the EDF funding to the United Republic of Tanzania in view of serious human rights violations and non-respect of the right to free, prior and informed consent of the Maasai communities in the Ngorongoro conservation area, evicted from their lands since the summer of 2022; notes that this temporary suspension must stay effective as long as a guarantee has not been given by the Tanzanian government and the EU delegation has not been authorised to enter and inspect the situation first-hand<sup>1a</sup> ;***

**Paragraph 50 b (new)**

*Motion for a resolution*

*Amendment*

***50 b. Calls for a temporary hold on the EDF funding to the Democratic Republic of Congo until the situation is adequately reviewed and reported back to both the Commission and the discharge authority in view of the serious human rights violations suffered by the Baka communities, particularly in the Odzala-Kokoua national park, which is largely financed by the ECOFAC6 programme; recalls that the ECOFAC6 programme is co-financed by the European Union (11th EDF) amounting to EUR 80,5 million<sup>1a</sup> ;***
