on behalf of The Left Group

Motion for a resolution B10-0007/2024
The Left
The need for the EU’s continuous support for Ukraine

Motion for a resolution
Paragraph 3

3. **Welcomes** the recently launched EU accession negotiations with Ukraine and the Republic of Moldova; believes that their steady integration into the EU represents a geostrategic and democratic opportunity and an investment in a united and strong Europe; recalls that EU accession is a strictly merit-based process that requires the fulfilment of the criteria for EU membership, including those concerning democracy, the rule of law, fundamental values and the fight against corruption; recalls that the accession process requires adequate EU financial and technical assistance;

3. **Takes note of** the recently launched EU accession negotiations with Ukraine and the Republic of Moldova; believes that their steady integration into the EU represents a geostrategic and democratic opportunity and an investment in a united and strong Europe; recalls that EU accession is a strictly merit-based process that requires the fulfilment of the criteria for EU membership, including those concerning democracy, the rule of law, fundamental values and the fight against corruption; **believes any further enlargement should be conditional on social and environmental harmonisation;** recalls that the accession process requires adequate EU financial and technical assistance;

Per Clausen, Li Andersson, Jussi Saramo, Merja Kyllönen
on behalf of The Left Group

Motion for a resolution
The Left
The need for the EU’s continuous support for Ukraine

Motion for a resolution
Paragraph 5

5. Recalls that Russia’s war of aggression against Ukraine is part of a broader set of objectives against the West, against our democracy and our values; welcomes the outcome of the NATO Summit and reiterates its belief that Ukraine is on an irreversible path to NATO membership; calls for the EU and its Member States to increase their military support to Ukraine for as long as necessary and in whatever form necessary; reiterates its previous position that all EU Member States and NATO allies should collectively and individually commit to supporting Ukraine militarily with no less than 0.25 % of their GDP annually; calls on the Member States to further expand training operations for the Ukrainian Armed Forces such as EUMAM Ukraine, with a view to further increasing their operational capabilities; underlines that insufficient or delayed deliveries of weapons and ammunition risk offsetting the efforts made so far and therefore urges the Member States to substantially increase and significantly accelerate their military support and boost the capacity of their military industries; strongly advocates for the removal of restrictions on the use of Western weapons systems delivered to Ukraine against military targets on Russian territory; welcomes the decision by NATO guaranteeing military supplies worth at
least USD 40 billion in the near future; the use of Western weapons systems delivered to Ukraine against military targets on Russian territory; welcomes the decision by NATO guaranteeing military supplies worth at least USD 40 billion in the near future;

on behalf of The Left Group

Motion for a resolution
The Left
The need for the EU’s continuous support for Ukraine

Motion for a resolution
Paragraph 8 b (new)

8b. Notes that it is important that the reconstruction be based on the needs of the Ukrainian people, not on corporate profits or interests; considers that support for the Ukrainian economy cannot be provided at the expense of European farmers through unfair competition that benefits monopolistic producers in Ukraine; denounces the lifting of customs duties on agricultural products, in particular Ukrainian poultry; calls for the cancellation of Ukrainian debt in order to facilitate the reconstruction of strategic enterprises and infrastructure destroyed in the war; supports calls for an international conference to be organised in due time to raise funds under the Ukraine Solidarity Trust Fund; calls for the speedy reintegration of Ukraine into European and global supply chains, in particular in the areas of energy and food supply;
