Electric vehicles

Motion for a resolution

Paragraph 2

Motion for a resolution

Amendment

2. Calls on the Commission and the Member States to establish the ***necessary conditions for the existence of a single electric vehicle market***, while guaranteeing efficient coordination of policies at EU level, in order to avoid the negative social and employment impacts of the shift to a decarbonised system of transport and in order also to avoid the existence of incompatible schemes and standards that are not interoperable;

2. Calls on the Commission and the Member States to establish the ***minimum common standards for electric vehicles***, while guaranteeing efficient coordination of policies at EU level, in order to avoid the negative social and employment impacts of the shift to a decarbonised system of transport and in order also to avoid the existence of incompatible schemes and standards that are not interoperable;
