Paragraph 45

Motion for a resolution

Amendment

45. Stresses the importance of structured cooperation in the field of higher education and research in order to foster mutual recognition of qualifications and education systems, with a view, in particular, to increasing mobility for students, researchers and teachers, backed up by measures to combat the ‘brain drain’; welcomes, in that connection, the assistance provided by the Tempus programme for higher education and the exchanges organised under ERASMUS Mundus Action 2, and the creation of the Euro-Mediterranean University (EMUNI), which *should include* a Euro-Mediterranean network of universities on both shores;
