Paragraph 4

Motion for a resolution

Amendment

4. Emphasises the need to increase the funds allocated to the ENP in the post-2013 multiannual financial framework (MFF), ***giving priority, in the light of recent events, to the southern dimension of the ENP***; considers that the new MFF should take into account the specific characteristics and the needs of each country;

4. Emphasises the need to increase the funds allocated to the ENP in the post-2013 multiannual financial framework (MFF), ***in the context of the recent developments in North Africa and particularly in Libya; recalls the provision of the 'gentlemen's agreement' which stipulated that the amount of money for the Southern Dimension of the ENP should not exceed 2/3 of the funds allocated to ENP overall***; considers that the new MFF should take into account the specific characteristics and the needs of each country;
