on behalf of the Committee on International Trade  
on the opening of FTA negotiations with Australia and New Zealand

**Motion for a resolution**

**Paragraph 8**

*Motion for a resolution*

*Amendment*

8. Considers that a robust and ambitious sustainable development chapter, covering, among other things, core labour standards, the four ILO priority governance conventions and multilateral environmental agreements, is an indispensable part of any potential free trade agreement;

8. Considers that a robust and ambitious sustainable development chapter, covering, among other things, core labour standards, the four ILO priority governance conventions and multilateral environmental agreements, is an indispensable part of any potential free trade agreement; ***considers that the agreement should also include the establishment of a joint civil society forum that monitors and comments on its implementation and how the parties respect their commitments and obligations on human rights, labour standards and environmental protection;***
