João Pimenta Lopes, João Ferreira, Miguel Viegas, Patrick Le Hyaric, Ángela Vallina, Marisa Matias, Paloma López Bermejo, Kostadinka Kuneva
on behalf of the GUE/NGL Group

Motion for a resolution

B8-0096/2019

João Pimenta Lopes

on behalf of the Committee on Women's Rights and Gender Equality
Experiencing a backlash against women's rights and gender equality in the EU

Motion for a resolution

Paragraph 33

Motion for a resolution

Amendment

33. Urges the Council to unblock the directive on gender balance among non-executive directors of companies listed on stock exchanges (the so-called women on boards directive), in order to address the considerable imbalance between women and men in economic decision-making at the highest level;

33. Urges the Council to unblock the directive on gender balance among non-executive directors of companies listed on stock exchanges (the so-called women on boards directive), in order to address the considerable imbalance between women and men in economic decision-making at the highest level; ***takes the view, however, that adopting this directive serves neither to address nor to counteract the underlying causes of the social and economic inequalities between men and women; calls, therefore, on the Member States to take measures to implement or strengthen existing equality legislation and to enact labour policies as a key factor in overcoming inequalities;***

Or. pt

Amendment 19

João Pimenta Lopes, João Ferreira, Miguel Viegas, Patrick Le Hyaric, Ángela Vallina, Marisa Matias, Paloma López Bermejo, Kostadinka Kuneva
on behalf of the GUE/NGL Group

Motion for a resolution**B8-0096/2019****João Pimenta Lopes**

on behalf of the Committee on Women's Rights and Gender Equality
Experiencing a backlash against women's rights and gender equality in the EU

Motion for a resolution**Paragraph 39***Motion for a resolution**Amendment*

39. Expresses concern that the opponents of reproductive rights and women's autonomy have had a significant influence on national law and policy, in particular in some Member States, seeking to undermine women's health and reproductive rights, particularly with regard to access to family planning and contraception as well as attempts to restrict or end the right to voluntary termination of pregnancy; reiterates the need to adopt policies for the protection of motherhood and parenthood, guaranteeing robust workplace and welfare support, along with policies providing family support infrastructures, preschool facilities and home care for the sick or elderly;

39. Expresses concern that the opponents of reproductive rights and women's autonomy have had a significant influence on national law and policy, in particular in some Member States, seeking to undermine women's health and reproductive rights, particularly with regard to access to family planning and contraception as well as attempts to restrict or end the right to voluntary termination of pregnancy; reiterates the need to adopt policies for the protection of motherhood and parenthood, guaranteeing robust workplace and welfare support, along with **public** policies providing family support infrastructures, preschool facilities and home care for the sick or elderly;
