Search and rescue in the Mediterranean**Motion for a resolution****Paragraph 2***Motion for a resolution*

2. Calls on *the* EU Member States to enhance proactive search and rescue operations by providing sufficient vessels and equipment specifically dedicated to search and rescue operations and personnel, along the routes where they can make an effective contribution to the preservation of lives, whether under the umbrella of a Frontex-coordinated operation, or under international or separate national or regional operations, preferably civil operations; calls on the Commission to support such initiatives politically and financially; calls on Member States to make full use of all vessels able to assist in search and rescue operations, including vessels operated by NGOs; believes that NGO vessels and merchant shipping should not be a substitute for the due fulfilment by the Member States and the Union of their search and rescue obligations as part of a more long-term, structural and coordinated approach;

Amendment

2. Calls on *all* EU Member States to enhance proactive search and rescue operations by providing sufficient vessels and equipment specifically dedicated to search and rescue operations and personnel, along the routes where they can make an effective contribution to the preservation of lives, *and for the support of Member States at the EU's external sea borders*, whether under the umbrella of a Frontex-coordinated operation, or under international or separate national or regional operations, preferably civil operations; calls on the Commission to support such initiatives politically and financially, *including by introducing a permanent and mandatory relocation mechanism for sea arrivals*; calls on Member States to make full use of all vessels able to assist in search and rescue operations, including vessels operated by NGOs; believes that NGO vessels and merchant shipping should not be a substitute for the due fulfilment by the Member States and the Union of their search and rescue obligations as part of a more long-term, structural and coordinated approach;
