**Paragraph 1 a (new)**

*Motion for a resolution*

*Amendment*

***1a. Recalls that, according to the European Court of Auditors special report No 3/2015, the Youth Guarantee has made limited progress and its results fall short of initial expectations; highlights, in this regard, the need to improve the efficiency of the Youth Guarantee in every Member State before planning to increase its budget;***

**Paragraph 2 a (new)**

*Motion for a resolution*

*Amendment*

**2a. Takes the view that in order to be truly effective, a strategy to boost youth employment should take into account the territorial context in which it is to be implemented and make provisions for targeted training that meets the needs of businesses, while balancing them with the aspirations and skills of young people; stresses that the same strategy should ensure high-quality training and total transparency in the allocation of funds to training agencies, including through careful monitoring of their use;**

**Motion for a resolution**

**Paragraph 3 a (new)**

*Motion for a resolution*

*Amendment*

***3a. Stresses the need to tailor measures to local needs in order to increase their impact; encourages the Member States to implement special youth employment measures in rural areas, which are very often poorer, less equipped and more difficult to live in for young people; highlights, in this regard, that rural areas often do not receive proper funding, especially when it comes to young people;***
