on behalf of the Committee on Employment and Social Affairs

The Youth Guarantee

**Motion for a resolution****Paragraph 13***Motion for a resolution**Amendment*

13. Strongly believes in the objective of improving the socio-economic conditions of young people with the proper implementation of the reinforced Youth Guarantee; reaffirms its position that remuneration should be commensurate with the work provided, the skills and experience of the individual in question and the need for interns, trainees and apprentices on the labour market outside educational curricula to be able to make ends meet; calls on the Commission and the Member States, in collaboration with Parliament, and while respecting the principle of subsidiarity, to propose possible ways forward for the introduction of a common legal instrument ensuring and enforcing fair remuneration for internships, traineeships and apprenticeships in the EU's labour market; ***condemns the practice of unpaid internships, traineeships and apprenticeships, which constitutes a form of exploitation of young people's work and a violation of their rights;***

13. Strongly believes in the objective of improving the socio-economic conditions of young people with the proper implementation of the reinforced Youth Guarantee; reaffirms its position that remuneration should be commensurate with the work provided, the skills and experience of the individual in question and the need for interns, trainees and apprentices on the labour market outside educational curricula to be able to make ends meet; calls on the Commission and the Member States, in collaboration with Parliament, and while respecting the principle of subsidiarity, to propose possible ways forward for the introduction of a common legal instrument ensuring and enforcing fair remuneration for internships, traineeships and apprenticeships in the EU's labour market; ***urges the Member States to ensure adequate remuneration for internships, traineeships and apprenticeships outside of formal education curricula in order to avoid de facto barriers for young people from vulnerable groups and low socio-economic backgrounds;***
