**Motion for a resolution
Committee on Development**

B9-0263/2021

Accelerating progress and tackling inequalities towards ending AIDS as a public health threat by 2030

**Motion for a resolution
Paragraph 14**

*Motion for a resolution**Amendment*

14. Calls for the EU to set up a clear and coherent EU global COVID-19 vaccination strategy, focusing on ensuring equal, affordable and timely access to vaccination for people in developing countries, in particular those belonging to vulnerable and high-risk groups, including people infected with HIV/AIDS;

14. Calls for the EU to set up a clear and coherent EU global COVID-19 vaccination strategy, focusing on ensuring equal, affordable and timely access to vaccination for people in developing countries, in particular those belonging to vulnerable and high-risk groups, including people infected with HIV/AIDS; ***calls on the EU, therefore, to support the Indian and South African World Trade Organization initiative for a temporary waiver on intellectual property rights for COVID-19 vaccines, equipment and treatments, and urges pharmaceutical companies to share their knowledge and data through the World Health Organization COVID-19 Technology Access Pool (C-TAP);***
