B9-0416/2021

Motion for a European Parliament resolution on the implementation of measures to encourage the continuing training of hunters and fishers in order to protect the land and safeguard natural resources

The European Parliament,

- having regard to Rule 143 of its Rules of Procedure,
- A. having regard to the role of hunters and fishers in the management of land and wildlife;
- B. whereas the future of hunting and fishing is increasingly linked to the future of the environment and environmental protection policies in the context of the European Green Deal;
- C. whereas the management of natural resources requires more in-depth scientific knowledge of the environment;
 1. Urges the Commission to adopt a strategy with a view to the continuing training of hunters and fishers to enable them properly to manage and safeguard natural resources;
 2. Calls on the Commission to take the necessary measures to recognise and support hunting and fishing as essential activities for the protection of land and wildlife.
