

2023/2157(DEC)

12.2.2024

AMENDMENTS

1 - 3

Draft report

Petri Sarvamaa

(PE753.525v01-00)

2022 discharge: European Monitoring Centre for Drugs and Drug Addiction
((2023/2157(DEC))

Amendment 1

Ramona Strugariu, Olivier Chastel, Michal Wiezik, Jozef Mihál, Alin Mituța, Katalin Cseh

Motion for a resolution

Paragraph 2

Motion for a resolution

2. Notes from the Court's report that the Centre, although it paid interest for only one late payment, had a significant number of payments wrongly flagged as late (107 out of 1 595) by the Centre's financial and accounting management (ABAC) because of the incorrect parametrisations and/or incorrect data inputs regarding the due date of payment or the reception of the documents entailing a payment obligation; notes from the Centre's reply that the inconsistent flagging of late payments did not affect the regularity of the operations involved; notes further that the Centre has adopted some measures to minimize the referred risk for 'false positive' and to further ensure that its ABAC system may provide for a clear and accurate picture of the actual late payments;

Amendment

2. Notes from the Court's report that the Centre, although it paid interest for only one late payment, had a significant number of payments wrongly flagged as late (107 out of 1 595) by the Centre's financial and accounting management (ABAC) because of the incorrect parametrisations and/or incorrect data inputs regarding the due date of payment or the reception of the documents entailing a payment obligation; notes from the Centre's reply that the inconsistent flagging of late payments did not affect the regularity of the operations involved; notes further that the Centre has adopted some measures to minimize the referred risk for 'false positive' and to further ensure that its ABAC system may provide for a clear and accurate picture of the actual late payments; ***calls on the Agency to continue to monitor this issue and mitigate possible future reputational risks associated to this issue;***

Amendment 3

Sándor Rónai, Hannes Heide

Motion for a resolution

Paragraph 13

Motion for a resolution

13. Notes that the Centre reported to have 2 women (22%) and 7 men (78%) in its senior management, while it has 20 women (37%) and 34 men (63%) in its management board (MB); notes that the staff overall is composed of 36 men (38 %) and 58 women (62%); recalls the importance to ensure staff gender balance and calls on the Centre to take this aspect into consideration with regard to future recruitments of staff, appointments within its senior management **and nominations within its MB;**

Amendment

13. Notes that the Centre reported to have 2 women (22%) and 7 men (78%) in its senior management, while it has 20 women (37%) and 34 men (63%) in its management board (MB); notes that the staff overall is composed of 36 men (38 %) and 58 women (62%); recalls the importance to ensure staff gender balance and calls on the Centre to take this aspect into consideration with regard to future recruitments of staff **and** appointments within its senior management; **asks the Commission and the Member States to take into account the importance of ensuring gender balance when nominating their members to the Centre's MB;**
