Shadow Rapporteurs: Jeroen Lenaers (EPP), Isabel García Muñoz (S&D), Mikuláš Peksa (Greens), Ryszard Czarnecki (ECR), Luke Ming Flanagan (The Left)

The five Rapporteurs from RENEW EUROPE presented seven draft reports on the other Institutions (without counting EEAS) in respect of the 2019 discharge to the CONT Committee on 10 November 2020. The presentation was followed by an exchange of views between the Members. In total 383 (without EEAS) amendments were tabled to the draft reports. The amendments focus on the following topics:

- enhanced guidelines, codes of conducts, rules on sensitive functions, whistleblowing and harassment, conflict of interests and related working procedures, aiming at strengthening ethics and integrity as an essential contribution to sounder financial management and increased public trust;
- human resources issues, gender balance (and where appropriate geographical balance), equal opportunities in face of diversity and disabilities to enhance an inclusive workplace and staff well-being;
- inter-institutional cooperation and synergies, inherent cost/benefit analysis and proportionate actions to set administrative working arrangements resulting in savings and efficient reallocation of resources;
- overall improvements needed to enhance transparency and foster the involvement of the EU citizen, including digital communication and factoring in cybersecurity, open sources exploitation, data protection;
- internal control, risk assessment, budgetary management, planning accuracy and reduction of carryovers of budgetary appropriations, encompassing assessment of the environmental performance and implementation -where possible- of carbon-neutral work solutions.

In addition to the amendments tabled to the draft reports, the AFCO, JURI and LIBE Committees provided opinions to the Council, Court of Justice and Data Protection Supervisor discharge (rapporteurs respectively Antonio Tajani, Gilles Lebreton and Caterina Chinnici).

The final voting lists were circulated on 25 February 2021. The background documents (including DG's annual activity reports, final accounts, etc.) can be found on the [CONT website](#). ### **Concerning the European External Action Service**

Following the exchange of views with the High Representative of the Union for Foreign Affairs and Security Policy, Mr Josep Borrell, on 16 November 2020 the draft report was presented in the CONT Committee on 25 January 2020.

The Rapporteur Mr Alin Mituta emphasised that the Court had identified no specific issues in the Annual Report but that there had been operational difficulties encountered by the EEAS in the financial management of the EU network of Delegations due to various crisis situations. A further matter of concern is the evolution of the EEAS staff profile where there still are geographical imbalances. The rapporteur expressed hope for improvements in the years to come and also for a reinforcement of the EEAS capacities in relation to disinformation.

54 amendments were tabled to the draft report. The amendments concern, inter alia, the modernisation and optimisation of the EEAS administration, the remaining staff imbalances related to nationality and gender, the need for simplification of budget lines used to finance operations in the Union's delegations, and the strategic communication actions.

The Committee on Foreign Affairs (AFET) delivered an opinion on this CONT report on 27 January 2021 for which Mr Nikos Androulakis was Rapporteur.

The final voting list was circulated on 25 February. The Court of Auditor's report and other background documents (including annual activity reports, final accounts, etc.) can be found on the CONT website. All

language versions of the draft report, amendments and the reference documents can be consulted on the [CONT website](#).

### **13. PRESENTATION OF COUNCIL RECOMMENDATIONS ON 2019 DISCHARGE**

**Presented by Ambassador Nuno Salvador e Brito, Portuguese Permanent Representative to the EU**

On 16 February 2021, the Economic and Financial affairs Council adopted, by written procedure, a recommendation that the European Parliament give a discharge to the Commission for the implementation of the EU's 2019 budget. The recommendation has been prepared on the basis of the Court of Auditors' annual report on the implementation of the budget, published in November 2020. In its annual report, the Court concluded that the revenue for the financial year 2019 is legal, regular, and free from material error. At the same time, the

Court issued an adverse opinion on the legality and regularity of expenditure after finding that high-risk expenditure (mainly spending on a reimbursement basis, which is subject to complex rules) is increasingly affected by material error and represents over half of the audit population. The Court therefore considered, unlike in the previous three years, that the error in expenditure is pervasive. In the light of the Court's report on the performance of the EU budget, a separate section of the Council recommendation also covers this issue.

On that same date, the Council also adopted recommendations on the discharge to be given to the Directors of the EU's 32 "decentralised" agencies, 6 executive agencies and 8 joint undertakings for the implementation of their 2019 budgets. These recommendations follow the Court's 2019 annual reports on EU agencies and joint undertakings. The recommendations require a qualified majority for adoption by Council.

The presentation by the Council Presidency on the main features of the recommendation will be followed by an exchange of views with the Members of the Committee and the Ambassador.
