#### 5. DISCHARGE 2018: GENERAL BUDGET OF THE EU - EUROPEAN COMMISSION

CONT/9/03689 - [2020/2140\(DEC\)](#)

##### Adoption of draft report

Rapporteur: [Joachim KUHS](#) (ID)

Administrators: Kaare Barslev and Fernando Gallego Osuna

Shadow Rapporteurs: **Markus PIEPER** (EPP), **Tsvetelina PENKOVA** (S&D), **Olivier CHASTEL** (Renew Europe), **Viola VON CRAMON-TAUBADEL** (Greens), **Ryszard CZARNECKI** (ECR), **Luke Ming FLANAGAN** (The Left)

In his draft report, Joachim Kuhs welcomes the fact that the Court of Auditors finds the EU accounts for 2019 to be reliable and that the Court concluded that revenue was free from material error in 2019, but deeply regrets, however, that for the first time in four years the Court had to issue an adverse opinion on the legality and regularity of the expenditure underlying the accounts. The Rapporteur also expressed his concern that outstanding commitments have continued to grow, reaching EUR 298 billion at the end of 2019. CONT Members tabled 840 amendments regarding the resolution accompanying the decision on the Commission discharge.

The Court of Auditor's report and other background documents (including DG's annual activity reports, final accounts, etc.) can be found on the [CONT website](#). All language versions of the draft report, amendments and the reference documents can be consulted on the [meeting documents](#).

## 6. 2019 DISCHARGE: GENERAL BUDGET OF THE EU - 8TH, 9TH, 10TH AND 11TH EDFs

CONT/9/03947 - [2020/2190\(DEC\)](#)

### Adoption of draft report

Rapporteur:

[Ryszard CZARNECKI](#) (ECR)

Administrator:

Hans Stander

Shadow Rapporteurs: **José Manuel FERNANDES** (EPP), **Tsvetelina PENKOVA** (S&D), **Olivier CHASTEL** (Renew Europe), **Michèle RIVASI** (Greens), **Younous OMARJEE** (The Left)

Following the exchange of views with Commissioner Urpilainen responsible for International Partnerships on 1 December 2020, CONT had a discussion on the draft report on 22 February 2021.

In his draft report, the Rapporteur emphasises the following issues: (i) the adverse opinion of the Court of auditors on the legality and regularity of expenditure, which, with an estimated level of error of 3,5 %, surpassed the materiality threshold and which concern mainly recurring errors; (ii) the absence of reservations for 2019 due, inter alia, to a 'de minimis' threshold, taking away a relevant indicator for the EPs scrutiny of the EDFs' operations.

60 amendments were tabled to the draft report concerning, among others, the need for cooperation between the public and private sectors to cooperate in fighting poverty, respect for the rule of law and the need to fight corruption and the emphasis the Commission must put improving its controls on EDF expenditure, both ex-ante and ex-post. Amendments also specifically re-iterated the Court's criticism on the study on the Residual Error Rate by the Commission and called for a continued follow up by the Commission on the Parliament's recommendations regarding the European Union Trust Fund for Africa.

The Committee on Development (DEVE) delivered an opinion on this CONT report on 10 February 2021 for which Mr Udo Bullmann was Rapporteur.

The final voting list will be circulated on 18 March 2021. The Rapporteur is in favor of granting discharge to the Commission.

On 12 November 2020 the ECA published its annual report on Joint Undertakings (JUs) issuing a clean (unqualified) opinion on the reliability of the accounts and compliance of the transactions underlying those accounts for all of the JUs. An emphasis of matter is added to the audit opinion of Development of Fusion Energy (F4E), mainly due to the risk of further cost increases and delays in implementing the ITER project.

On 7 January 2021, the CONT committee held a hearing with the representatives of three Joint Undertakings, namely Development of Fusion Energy (F4E), Bio-Based Industries JU( BBI), and Innovative Medicines Initiative 2 (IMI2), in the presence of the responsible ECA Member, Ms Ildikó Gáll-Pelcz. On 22 February 2021, Joachim Brudziński, on behalf of the Rapporteur, presented the draft reports on Joint Undertakings' 2019 discharge to the CONT Committee.

Following the presentation of the main issues highlighted in the draft reports, Mr Brudziński expressed the proposal to grant discharge to all of the JUs. The shadows rapporteurs took the floor and expressed their views, which are also been expressed through the amendments.

There were 135 amendments tabled in total to the eight draft reports, an increase with respect to last year. Amendments addressed mainly issues such as in-kind contributions from private partners, performance and research projects outputs, delays on procedures, gender balance, conflict of interests, transparency and ethics, and objectives for the successors of the JUs operating under Horizon 2020. The majority of the amendments were tabled for the three JUs (F4E, BBI, IMI2) invited to the hearing on January 2021.

Additionally, The TRAN Committee has provided opinions on the CLEAN SKY 2, SESAR, and Shift2Rail JUs' 2019 discharge. The draft reports, the ECA report, and other relevant information can be found on the [CONT website](#).

The EU Facility for Refugees in Turkey, managing a total of €6 billion in two tranches, provides for a joint coordination mechanism, designed to ensure that the needs of refugees and host communities in Turkey are addressed in a comprehensive and coordinated manner. The Facility focuses on humanitarian assistance, education, migration management, health, municipal infrastructure, and socio-economic support.

The Rapporteur recognises the difficulties encountered in this kind of undertakings, due to different factors such as diversity of the target groups or geographic situation, however, he stresses that the impact of the actions under each strand will achieve more value for money if they are part of an integrated approach. Moreover, the Rapporteur calls on the Commission to implement a strategy for the transition from humanitarian to development assistance and to improve the efficiency of cash-assistance projects.

**51. UPDATE OF ADVANCE PURCHASE AGREEMENT OF VACCINES AGAINST COVID-19**

CONT/9/05488

**Exchange of views with Sandra Gallina, Director-General of DG SANTE**

CONT Administrator: Diego Rasetti

In the context of the EU Vaccine Strategy, the Commission has concluded eight advanced purchase agreements (APA) of coronavirus vaccines with the relevant pharmaceutical companies. This effort to tackle the pandemic with tangible actions in the area of

EU public health policy recalls the important role of the Committee on Budgetary Control: any effective EU initiative on vaccines requires considerable financial and administrative resources, hence sound financial management and careful scrutiny are key to keep up public trust in the EU's action of support.

Acknowledging parliamentary involvement as an indispensable dimension in this regard, in the recent letter of 17 February, Commissioners Hahn and Kyriakides have provided further details about the financing of the stipulated APAs and anticipated the will to boost research and allocate additional funding for new actions responding the COVID-19 crisis. However, in the meantime, further issues have materialised, concerning the implementation of the APAs, the quantity and quality of the supplies, the compliance with the terms and deadlines of such contracts, the consistency of the approaches adopted by the Member States across the Union. Commissioner for Health and Food Safety has offered further steps towards

transparency and this exchange of view will take advantage of the in depth knowledge and competence on the matter of Mrs Sandra GALLINA, Director-General of the Health and Food Safety (SANTE) Directorate-general, which is also the partner directorate-general of the European Medicines Agency (EMA).

### **52. ECA SPECIAL REPORT 02/2021: EU HUMANITARIAN AID FOR EDUCATION: HELPS CHILDREN IN NEED, BUT SHOULD BE LONGER-TERM AND REACH MORE GIRLS**

CONT/9/05469

#### **Presentation of the special report by reporting ECA Member Hannu Takkula**

Rapporteur: [Maria GRAPINI](#) (S&D)

Administrator: Hans Stander

Shadow Rapporteurs: **Lefteris CHRISTOFOROU** (EPP) and **Katalin CSEH** (Renew)

The European Court of Auditors assessed whether EU humanitarian aid for education was effective in helping children and whether it was delivered efficiently by examining 11 projects conducted in Jordan and Uganda between 2017 - 2019.

The EU provides humanitarian aid for children affected by disaster through its Directorate-General for European Civil Protection and Humanitarian Aid Operations (ECHO). In 2019, 10% of the EU's total humanitarian aid was spent on education, amounting to €166 million. An estimated 64 million children in developing countries do not attend primary school. Half of them live in conflict-affected areas. Access to education offers them learning opportunities, and also provides immediate physical protection as well as life-saving knowledge and skills.

The Court concluded that projects were well-coordinated and reached their objectives, but that they did not target enough girls and suffered from inefficiencies due to short-term funding. The auditors therefore call on the Commission to provide more support for girls and to provide long-term funding for education in protracted crises, improved cost analysis and greater sustainability of cash-for-education programmes.

It is proposed that the presentation of the ECA special report proceeds as follows:

- Introduction by the reporting Member of the European Court of Auditors, Hannu Takkula, who will present the findings and recommendations of the Special Report;
- The CONT Rapporteur, Maria Grapini, will put questions to the Court and representative of the European Commission;
- Other Members of the Budgetary Control Committee and the Committee on Development will share their observations and ask their questions to the Court and the representative of the Commission
- Mr Hannu Takkula and the representative of the Commission will reply to the questions of the Members
- Time for a catch-the-eye session for Members that have not had the time to ask questions, or for follow-up questions from the Members
- Closing remarks by Mr Hannu Takkula and the representative of the Commission

### 53. [ECA SPECIAL REPORT 26/2020: MARINE ENVIRONMENT: EU PROTECTION IS WIDE BUT NOT DEEP](#)

CONT/9/05471

#### Presentation of the special report by reporting ECA Member João Figueiredo

Rapporteur: [Marian-Jean MARINESCU](#) (PPE)

Administrator: Giulia Bastianello

Shadow Rapporteur: **Maria GRAPINI** (S&D)

ECA Member João Figueiredo will present to the CONT/ENVI joint meeting the Special Report no 26/2020: Marine environment: EU protection is wide but not deep. The auditors found that EU action so far has not led to a recovery of significant marine ecosystems and habitats, nor to fishing at sustainable levels. The situation is especially problematic in the Mediterranean, where the Common Fishing Policy has not triggered any significant progress and fishing is at more than twice sustainable level. The ECA further found that in the four Member States visited, only limited portions of their funding through the European Maritime and Fisheries Fund were spent on measures directly and less directly related to conservation measures (6% and 8%, respectively).

The ECA recommends the Commission to identify the regulatory and administrative changes necessary to protect sensitive species and habitats, improve protection measures in the Mediterranean, and increase the potential of EU funding.

It is proposed that the presentation of the ECA special report proceeds as follows:

- Introduction by the reporting Member of the European Court of Auditors, João Figueiredo, who will present the findings and recommendations of the Special Report.
- The CONT Rapporteur, Marian-Jean Marinescu, will put questions to the Court and representative of the European Commission.
- Other Members of the Budgetary Control Committee and the Committee on Environment, Public Health and Food Safety will share their observations and ask their questions to the Court and the representative of the Commission.

- Mr João Figueiredo and the representative of the Commission will reply to the questions of the Members
- Closing remarks by Mr João Figueiredo and the representative of the Commission.
- Closing remarks by the CONT Rapporteur.

### 54. [ECA REVIEW 01/2021: THE EU'S INITIAL CONTRIBUTION TO THE PUBLIC HEALTH RESPONSE TO COVID-19](#)

CONT/9/05467

#### Presentation of the Review by reporting ECA Member Joëlle Elvinger

Rapporteur: [Lefteris CHRISTOFOROU](#) (EPP)

Administrator: Kaare Barslev

Shadow Rapporteurs: **Corina CRETU** (S&D) and **Katalin CSEH** (Renew)

Ms Joëlle Elvinger will present to a joint meeting of the CONT, BUDG and ENVI the ECA Review 1/2021: The EU's initial contribution to the public health response to COVID-19.

The European Court of Auditors reviewed the role of the EU in its initial response to the COVID-19 pandemic between 3 January and 30 June 2020. It clarified that the competence of the EU concerning serious cross-border health threats gives it a supporting and coordinating role, while the main responsibility in dealing with such crises remains with the Member States. Up to the end of June, approximately EUR 4.5 billion (3% of the EU's annual budget) were allocated to support the Member States' public health related efforts. The Commission and EU agencies further facilitated the supply of medical supplies, promoted testing, treatment and vaccine research, monitored the pandemic, provided risk assessments, and facilitated information exchange between Member States. The ECA concluded that it posed a challenge for the EU to rapidly complement the measures taken within its formal remit, and that these experiences can provide lessons for any future reform of the EU's competences in this field.

It is proposed that the presentation of the ECA review proceeds as follows

- Introduction by the reporting Member of the European Court of Auditors, Joëlle Elvinger, who will present the findings of the review;
- Initial reactions by the Commission representative, John-F Ryan
- The CONT Rapporteur, Lefteris Christoforou, will put questions to the Court and the Commission;
- Catch-the-eye session for Members of the Budgetary Control Committee, the Committee on Budgets, and the Committee on Environment, Public Health and Food Safety, who will share their observations with the Court and the Commission
- Concluding replies by Ms Joëlle Elvinger and Mr John-F Ryan

The ECA review is available on all EU languages on the [ECA website](#).
