The CONT Committee will hold a hearing with Commissioner Breton in the context of the discharge procedure for the Commission for financial year 2021. For this hearing, the Dean of Chamber IV of the European Court of Auditors, Mihails Kozlovs will present the Court's findings regarding MFF heading 1 'Single Market, Innovation and Digital'.

For 2021, expenditure of EUR 14.3 billion was subject to audit in this area. Most of this expenditure was managed directly by the Commission and relates to the Horizon 2020 programme, which does not fall under the responsibility of Commissioner Breton.

The focus of this hearing will therefore be on the spending managed by DG DEFIS, the Directorate-General for Defense Industry and Space. This concerned EUR 2.927.884.583 in 2021, and is mostly managed through indirect management, where the Commission implements the funds with support of entities, e.g. national authorities or international organisations.

It concerns predominantly the following funds:

- the European Defence Fund and its precursors: the Industrial Development Programme (EDIDP) and the Preparatory Action on Defence Research (PADR);
- the EU Space Programme implemented through direct management by the Commission or through indirect management by the European Union Agency for the Space Programme (EUSPA), the European Space Agency (ESA) and other entrusted entities;
- and Horizon Europe for Space, managed directly by DG DEFIS and the Health and Digital Executive Agency (HaDEA) in close cooperation with DG RTD, as well as through indirect management with EUSPA and ESA.

The discharge hearing will be based on information provided in public documents, such as:

- the Court of Auditors' 2021 Annual Report,
- the new Annual Report on Performance of the EU budget,

- the Commission's Integrated Financial and Reporting package,
- the 2021 Annual Activity Report of DG DEFIS.

All the relevant documents can be found on the [CONT webpage](#).

In accordance with the timetable for the discharge procedure, the written questions for this meeting were sent to the Commission on 20 October 2021, answers were received on Tuesday 8 November and forwarded to the CONT Members immediately.

4. REPORT OF THE EUROPEAN COURT OF AUDITORS ON THE PERFORMANCE OF THE EU BUDGET - STATUS AT THE END OF 2021"

Presentation of the report by reporting ECA Member François-Roger Cazala

The reporting Member of the European Court of Auditors, Mr François-Roger Cazala, will present the main conclusions of the Report on the performance of the EU budget - Status at the end of 2021.

For the financial year 2021, the Court of Auditors has split the annual report in two parts, a practice that started for the financial year 2019 and that will be discontinued after 2021.

To recall, the first part concerned the audit of the accounts of the Commission, and has a strong compliance character and was presented in the CONT Committee on 13 October by ECA President Tony Murphy. The second part covers the performance of spending programmes under the EU budget and will be presented in this CONT meeting.

According to Article 287 of the TFEU, the ECA draws up an annual report at the end of each financial year. This report, including the statement of assurance (DAS - Declaration

d'Assurance) concerning the reliability of the accounts and the legality and regularity of the underlying transactions, is considered by the Council and the Parliament in the framework of the discharge procedure under Article 319 of the TFEU.

The Report of the European Court of Auditors on the performance of the EU budget - Status at the end of 2021 will be published in English on the [ECA website](#). It will also be available on the [CONT webpage](#) after publication.

Tuesday 14 November 2022, 17:30 - 18:30

5. CONTROL OF THE FINANCIAL ACTIVITIES OF THE EUROPEAN INVESTMENT BANK - ANNUAL REPORT 2021

CONT/9/10205

[2022/2153\(INI\)](#)

Consideration of the draft report.

Rapporteur:

[Winzig Angelika](#) (EPP)

Administrator:

Diego Rasetti

Shadow rapporteurs:

Corina Cretu (S&D), **Alin**

Mituța (Renew), **Viola Von Cramon-Taubadel** (The Greens/EFA), **Joachim Kuhs** (ID), **Richard Czarnecki** (ECR), **Luke Ming Flanagan** (The Left)

The EIB's business model requires the highest levels of integrity, transparency, accountability and good governance, and the deployment of adequate measures to effectively and efficiently combat all forms of money laundering, the financing of terrorism, organised crime and harmful tax practices, as well as countering all the types of prohibited conduct identified in its recently reviewed Anti-Fraud Policy. Against this background, the draft report presented today develops a comprehensive analysis of the EIB activities carried out in 2021.

In spite of the pandemic limitations and post-pandemic crisis, also in 2021 the EIB Group has confirmed its ability to remain fully operational. The Rapporteur points out the EIB's role in supporting internal market, social cohesion and sustainable development, in strengthening EU integration, addressing inequalities by providing better conditions for accessing jobs and education opportunities and in promoting a healthy and sustainable environment.

The draft report acknowledges the Banks's key role as the EU climate bank in the fight against the global emergencies of climate change, and its commitment to align all of its activities to the Paris Agreement. Additionally, on the top of being the largest multilateral lender in the EU Neighbourhood regions, its Board of Directors' decision in September 2021 has created the EIB Global. This new branch will manage all of the EIB's activities in the enlargement region and in the countries of the European Union's Eastern and Southern Neighbourhood, Sub-Saharan Africa, Asia, Latin America, the Caribbean and the Pacific.

The Bank's Operational Plan 2021 has confirmed the EIB's alignment with the EU's political priorities and its commitment to step up its ambition for the digital and green transitions. Moreover, during this year, the EIB has been at the forefront of tackling the COVID-19 crisis in the European Union, and the draft report pays specific attention to the considerable efforts to offer additional support in particular for small and medium-sized enterprises (SMEs), also by establishing the new Pan-European Guarantee Fund (EGF).

The draft report's analysis has taken into account many aspects of the EIB's activities: the complaint mechanism, the work of the Ethics and Compliance Committee and the updated codes of conduct of the Management Committee and the Board of Directors, with the introduction of a longer cooling-off period for their members. The Rapporteur has looked into the the new EIB Group policies: anti-fraud policy, whistleblowing policy and transparency policy, together with the cooperation with OLAF and with the EPPO. In the meantime, the analysis also highlights the still sub-optimal situations identified by the EIB Audit Committee and, in regard of the renewed Tripartite Agreement (amongst EIB, the Commission and the European Court of Auditors), the draft report points out that, even allowing greater access to documents, it does not fully embrace the extensive solution which Parliament has called for. In the meantime, the draft report maintains its request to address the persistent gender unbalance and lack of diversity within the Bank.
