4. Impact of COVID-19 measures on committee activities

AD: DN

The Coordinators heard the Chair explain the repercussions of the President's Decision of 9 March 2020 - coupled with the agreed definition of core business - on the CULT Committee's work. Specifically, the Chair explained that:

- **Until at least 30 April, it will not be possible to present any of the ongoing draft opinions or reports in the committee, nor to hold any exchange of views unless linked to core business. Therefore, for all ongoing opinions and reports, the Chair will set a deadline for amendments in writing once the draft document is available.**
- **For the time being, the only permissible voting method is that used in the plenary on 26 March 2020. It is anticipated that, in May, a remote voting system will be available and the CULT secretariat will keep Members informed of developments.**
- **Committee meetings with interpretation can only be held using a tool developed by the Parliament IT service, which can only be used on an IPAD for now. Using Webex, as for the Coordinators' meeting on 6 April, means interpretation is impossible.**
- **Since all committees are equally affected by the rules on core business and the restrictions on voting, timetabling problems for CULT opinions are not anticipated. However, the CULT secretariat is monitoring the situation closely. Should any timetabling challenges emerge, the Chair will propose a solution.**

Coordinators agreed that, in planning committee business, it is important to focus on the immediate priorities, notably in respect of the revised MFF 2021-2027 and of measures to alleviate the impact of the COVID-19 pandemic on the sector.

5. Opinion on the AFET-INTA report on recommendations on the negotiations for a new partnership with the United Kingdom of Great Britain and Northern Ireland

- **The Coordinators agreed to deliver the CULT opinion in the form of a letter.**

6. CULT Committee response to COVID-19 outbreak

AD: DN

- **The Coordinators agreed on a set of responses to the impact of the COVID-19 pandemic on the CULT sectors (see separate document).**

7. Amendment to 2020 research programme

AD: DN

Decisions:

- **The Coordinators agreed to modify the 2020 research programme and ask the Policy Department to:**
 - a) **carry out a study on the impact of COVID-19 on the cultural and creative sector and postpone to 2021 the study on the status of artists and cultural workers;**
 - b) **to re-focus the study on sports policy to include an analysis of the impact of COVID-19;**
 - c) **carry out a study on the impact of COVID-19 on high-quality learning and inclusive education and the role of digital education in tackling the crisis, with an analysis of different approaches across Member States;**
 - d) **to prioritise COVID-19-related research ahead of studies that have not yet been commissioned.**

8.1. CULT Mission to Rijeka, 6-8 April 2020 - Postponement

10. Any other business

- **The Coordinators heard the Chair express concern about the working method being applied by Commissioner Gabriel in her engagement with the CULT Committee. While welcoming the Commissioner's openness and willingness to meet and engage with Members, she noted with concern a) the continued refusal by the Commissioner to allow political group or secretariat staff to attend informal meetings between the Commissioner and CULT/ITRE Coordinators (despite the presence of her staff) and b) the recent request for CULT Members to submit written comments on ideas for the new Digital Education Action Plan within 48 hours.**
- **The Coordinators concurred with the Chair's concerns and agreed that the Chair should write a letter to the Commissioner indicating that a) at least one adviser per political group and one member of the CULT secretariat must be allowed to attend even informal meetings, b) a Coordinator who cannot attend must be allowed to nominate a substitute for the meeting, c) any written comments sent on any file do not constitute or replace a position either within political groups or within the Parliament and are therefore to be treated as purely informal submissions, d) any informal meetings cannot replace official exchanges either through the Structured Dialogue or through other official committee or Coordinators' meetings and e) the Commissioner should be invited to the next Coordinators' meeting to discuss the response to COVID-19.**

- **The Coordinators heard Mr Franz urge Coordinators to sign the petition on protecting Roma communities from COVID-19, which he also circulated by email.**
