### **The Coordinators:**

- heard the Chair inform them about the recent change of Ms Salima Yenbou from the Group of the Greens/EFA to the Renew Europe Group and her thus no longer being the Coordinator for the Greens/EFA, as well as her having changed status from a full to a substitute Member of the CULT Committee;
- took note of the Chair's recalling that in advance of their meetings all Coordinators are free to suggest in writing to the Chair additional agenda points (with the other Coordinators and the CULT Secretariat in copy), which would normally be added under "Any other business", yet with the need for these suggestions to arrive in time in order to be considered in the Coordinators' Notes;
- heard the Chair recall that according to the EP's Rules of Procedure and long-established practice as well as for the sake of transparency vis-à-vis the entire Committee, a) Coordinators' decisions can by no means be replaced by decisions taken in any other context, and that b) initiating Coordinators' decisions by means of a written procedure are a prerogative of the Chair alone and exclusively reserved for urgent business; and endorsed this approach;

- heard the Chair report on the attempts of the Polish government to enact a new education law ("Lex Czarnek") having failed for the time being due to the President of the Polish Republic having vetoed this legislative project;
