E-001850/2025

Answer given by Executive Vice-President Ribera
on behalf of the European Commission
(16.6.2025)

Germany has not yet notified the measure indicated by the Honourable Member to the Commission.

The Commission has two months after receipt of a complete notification from the Member State to render a decision on the measure's compatibility with EU State aid rules.

The Commission recalls the importance of ensuring that such support measures are fully aligned with relevant EU secondary legislation.
