

WRITTEN QUESTION E-0349/00

by Rosa Díez González (PSE), Fernando Pérez Royo (PSE) and Luis Berenguer Fuster (PSE)
to the Commission

Subject: Public aid and the reinforcing of a dominant position on the Spanish electricity market

In view of the duopoly in the Spanish electricity market and in connection with the State aid provided for the CTC (costs of transition to competition), will the Commission abide by its policy of ensuring that public aid is not used to reinforce a dominant position?
