

WRITTEN QUESTION E-2232/00  
by Elisa Damião (PSE)  
to the Council

Subject: Agreement between South Africa and the European Union

According to Portuguese exporters, despite the agreement concluded between South Africa and the European Union, there are still cases of dumping, in violation of Article 2 of the agreement and to the detriment of Portuguese industry.

What action has the Council taken to prevent the occurrence of situations of unfair competition and what has it done to ensure that no harm is caused to Portuguese industries?
