

WRITTEN QUESTION E-3220/00  
by Mary Honeyball (PSE)  
to the Commission

Subject:           Development of the Akamas, Cyprus

Will the Commission comment on the Cyprus Government's pending decision to allow the development of the Akamas Peninsular for tourism and assess whether such a decision is compatible with the European Union's Natura 2000 environmental policy?

Will the Commission say how this issue is being tackled during accession negotiations?
