

WRITTEN QUESTION E-3777/00
by Marie-Noëlle Lienemann (PSE)
to the Commission

Subject: Scrapie

Can the Commission indicate what action it is taking to control scrapie?

What practical measures has the Commission set up to study the transmission of BSE to sheep?

What results are available at present with regard to the risks of transmission of BSE from one sheep to another through blood transfusion and what measures does the Commission intend to take in this respect?
