

WRITTEN QUESTION E-2266/01
by Gordon Adam (PSE)
to the Commission

Subject: Foot-and-mouth disease - Trading problems with EU applicant countries

Will the Commission indicate what steps it has taken and is proposing to take to ensure that restrictions imposed by EU applicant countries on imports from those EU Member States currently or recently suffering from outbreaks of foot-and-mouth disease do not exceed the restrictions laid down in Decision 2001/356/EC¹ or other relevant EU Decisions, as amended?
