

WRITTEN QUESTION E-3588/01  
by Pere Esteve (ELDR)  
to the Commission

Subject: Granting of aid to COFACE

The Commission has granted various subsidies to the Confederation of Family Organisations in the European Union (COFACE). It appears that these subsidies will no longer be granted in the coming budgetary year, 2002.

Can the Commission say whether this aid is indeed to disappear in the coming year and if so, why it was removed from the Community budget? What other EU subsidies might COFACE receive in the future?
