

WRITTEN QUESTION E-2700/02
by Manuel Pérez Álvarez (PPE-DE)
to the Commission

Subject: Applications for supplementary benefits from the French National Solidarity Fund

The third paragraph of the written reply of 12.03.2002 to Question H-0124/02¹ states that 'as soon as the Commission has information from the French authorities the Honourable Member will be informed'.

Six months have now elapsed, and I deem it advisable and necessary to reiterate my question. I would furthermore ask what steps the Commission has taken.

Has there been any reply from the French authorities which would allow us to conclude that applicants will have a response in the immediate future?

¹ Written answer of 12.3.2002.
