

WRITTEN QUESTION E-3861/02
by Barbara Weiler (PSE)
to the Commission

Subject: Introduction of a European Disabled Person's Pass

It would be sensible to introduce a uniform European Disabled Person's Pass during the European Year of the Disabled. This would also be an important step forward from the point of view of mobility.

A European initiative should be possible on the basis of Article 13 of the EC Treaty (prohibition of discrimination). Does the Commission intend to submit a proposal along these lines? If so, when will it do so?
